"What I make with my hands, I give with my heart."  
This sweet saying has been my crafty motto for as long as I have been creating. I truly believe that when we create arts and crafts, we include a bit of our hearts and ourselves in every piece. My goal is to help you make something you love, something you can put a bit of your heart in. Whether it is a gift for a loved one or a fun something for yourself, I hope that you find love and joy in the making.
